I am writing to voice my strong opposition to Ammo Tax Bill H.B. 5653. I have been a responsible gun owner for over 50 years and only shoot for sport in safe locations, primarily my local rod and gun club. Ammunition is already up almost 100% from what it was pre-Covid and any further increases just make this sport prohibitively expensive. While I'm a firm believer in gun ownership rights, I'm also a firm believer of reasonable solid gun control laws such as the ones we have in CT. I absolutely do not believe in the states burdensome taxes on ammunition.
